EVOLUTION IN POLITICS.

Herald: "The report than the father of M w. MURDOCK, Name.

Merald: "The report than the father of Senator Ingal's, who lives in Haverhill, will vote the Democratic ticket, indicates that it isn't alone the sons of the fathers."

And now it is the train robbery epidemic that sweeps the country. What that are kicking over the political traces. It is likewise the lathers of the sons," This calls to mind an incident that is said to have occurred in Boston a short try that have made 2:30 or better this time ago. A staunch old Republican of the old school, who left that state several years ago, had just returned on a visit, and in speaking of the political purpose of the People's party is shown in preferment of the younger generation of the fact that their vote was just as strong the Hoars, the Russells, the Everetts, et scions of the founders and life-long leaders of the grand old party, when a friend present dispelled the old man's illusion by informing him that every one of these were now rampant Democrats. Another instance almost equal to the first one mentioned, and in the same his rebellion instead the former that the latter gave them line, is presented in this state in the case of the Rices, ather and son, of Fort Scott. The father didn't go ever bodily to the Democrats, but he did the next

SUNFLOWER SHIMMER.

And Canfield has bided his time. After this the meteors will probably fall on mortgaged city property.

Would Plumb in the white house mean Somebody at the court of St. James? Senator Ingalls could give Explorer Stan ley some valuable hints on "denials."

"There is good in everything" is a very poor apology for the overwhelming bad. You hear very little about it being a 'clean sweep." The Alliance must have used a map.

In the history of Kansas, such as is oral, Willits will always be known as the brother of his sister. There are so many men who cry "politi-

cai disaster" who didn't have enough energy to register. One of the first foolish things the Al liance will do will be not to give Mrs.

Lease anything. Five more names were added to the list of possibilities for the senate in the Alllance yesterday.

It was very true of the election and preceding campaign that "Where all words end, music begins." W. A. Peffer claims to have sixty-two of

the Alliance members pledged to him Judge Peffer concedes Governor Hum phrey's election. This was not essential

it was merely ornamental. Another daily paper at Wellington is ousted. This mu t be the silver lining to Jake Stotler's state printership. The difference between the state senate

and the house is that the one was held over and the other was held back. At legislative banquets this winter the esponse to the toast, "The Press," will

probably be confined to the senate. A good many Kansas people would miss to the presidency in '92. Foreign appoint-

The senator from Kansas will be select ed the second Tuesday after the convening of the legislature. The legislature meets A goodly number of Kansans will relin-

quish their belief of a literal hell, when they learn that Sam Wood has been successfully swindled. In the short time that Willits was gov

sas. This fact, could it have come before It is said the Alliance had over \$29,000 for campaign expenses. An assessment of ten cents apiece was made on individual

members, and the several candidates put up small amounts. St. Louis Post-Dispatch: Tuesday's lection returns ought to make Preston B. Plumb the accepted leader of the Republicans in Washington and their nomi-

ce for President in 1802. It is said that if John J. Ingalls is defeated for United States senator he has an offer of a position that will pay him \$30,000 a year. His acceptation of the place will

ecessitate his leaving Atchison. It is claimed that three Alliance mem-bers elect of the legislature have left the state and will not qualify. If this is true, it reduces the total vote on a joint ballot to 162, making 82 votes necessary to a

Charles Dana has invited Senator Ingalls to reside in New York City. If the best book is Job and the best newspaper, the New York Sun, it would be unkind for old man Dana not to recognize the compliment implied in the comparison of himself with the greatest example of per-

The Topeka hotel with red table cloths Topeka. But if there were, how many of the newly elected members of the legislature would patronize it this winter? Farmer's Alliance man is not very couscientious in his boasted simplicity.

Kansas City Star: Senator Ingalls calls his new home "Oak Ridge," a name suggested by the oak trees which grow about his imposing mansion. It is reached by winding up a toilsome slope through a series of unsightly streets, but the eminence once gained, the labor of attaining it is forgotten. Barring the approach, "Oak Ridge" is an ideal spot. It com mands a full view of the city below, and the sounds from the distant busy streets come mellowed to the clear, pure beights above them. The river is visible to the northeast, while the eye takes in a stretch of charming scenery to the south and west, embracing the senator's jack oak farm about a half mile distant, which he calls delegates as follows; Alliance, 2; Re-his play ground. The inclosure about the publicans, 6; Democrats, 2. Leaving house takes in five acres, including a beautiful lawn, an orchard, a paddock and an ocrats, 10; Republicans, 27, inviting little grove. The house is capacious, well planned and furnished with exhe Alliance ticket.

Let us look at it another way: Two impression of comfort, which is accentu. While the Alliance leaders have de-Let us took at it another way: Two vears ago the Republicans cast 180,000 ated by an introduction to the living aparticles, the Democrats 197,000. Deduct the loss on total vote of 50,000 in the proportion of 35,000 Republicans to 15,000 Repub portion of 35,000 Republicans to 15,000 striking degree the personality of the Democrats, and we have left 145,000 Re- owner. It is a cozy nook, with a big, open esque statesman of Oak Ridge, against whom the opposition to the Republican party has concentrated all of its hostile en-
